*The Elegant Fusion of*  
**WOOD**  
& **BRASS**

*This collection embodies a conversation between the organic warmth of **WOOD** and the refined brilliance of **BRASS**.*

*Each tile captures this delicate balance — where nature's intricate grain meets the precision of metal artistry. The result is a surface that exudes quiet sophistication; timeless yet modern, tactile yet composed. Designed for interiors that demand distinction, the **Wood & Brass Series** transforms flooring into an architectural statement, grounding every space with warmth and illuminating it with subtle golden light.*
